RESPONSE TO STATUS REPLY LETTER

Sir:

Review of the status of the above-identified application is respectfully requested.

A Status Reply Letter dated April 25, 2003, reports that the application was abandoned in February 2002, for failure to respond to an Office Action. However, a Petition to Revive the application was filed April 8, 2002, and was granted by a communication dated June 26, 2002 from the Office of Petitions. Accordingly, it is believed that the status of this application is that it is pending and awaiting action on the Responsive Amendment filed April 8, 2002 with the Petition to Revive.

Attorney Docket No.: ZILG.258US2

Application No.: 09/560,224

Copies of the Status Letter Reply and the Decision on Petition are attached.

Reconsideration of the status of this application is solicited.

Respectfully submitted,

OFFICE OF PETITIONS

In re Application of
T. Allan Hamilton, et al.
Application No. 09/560,224
Filed: April 28, 2000
Attorney Docket No. M-12664-2C US

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed April 8, 2002, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply in a timely manner to the non-final Office action mailed February 14, 2001, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. An office communication was mailed May 1, 2001 indicating that a reply filed on March 16, 2001 was not fully responsive to the prior Office Action because the office had no record of receipt of the alleged Preliminary Amendment. Since the above mentioned reply appeared to be *bona fide*, petitioner was given a time period of one (1) month or thirty (30) days from the mailing date of the notice, whichever is longer, within to supply the omission or correction in order to avoid abandonment. Accordingly, the application became abandoned on June 2, 2001.

The Power of Attorney has been accepted and recorded.

Telephone inquiries concerning this decision should be directed to Retta Williams at (703) 306-5594 or in my absence, Latrice Bond at (703) 308-6911.

The application file is being forwarded to Technology Center 2600, Art Unit 2633 for further processing.
